TITHES & OFFERING

Will you dare to trust God this year with your finances? The Bible says that if we bring our tithes (*the first fruits of our labor*) into the storehouse (*church*). Then He will open for us the windows of heaven and pour out such a blessing that there will not be room enough to contain it. This is the only scripture where He allows us to prove Him. **Saints, it is time to activate our faith and see God breakthrough in our finances!**
